Driving Assistance Systems & Safety

Driving Assistant Professional (option code 5AU) is the comprehensive package of driving assistance systems for the **2022 BMW iX3**. It assists with maintaining distance, steering, and recognizing dangerous traffic situations.

The package includes:

- **Adaptive cruise control with Stop&Go:** maintains the set speed and distance to the vehicle in front, including braking to a standstill and resuming under applicable conditions.
- **Steering and lane control assistant:** supports steering and keeps the vehicle centered in the lane, even in slow traffic.
- **Active navigation support:** helps follow the navigation route on multi-lane roads.
- **Automatic speed limit assist and route adaptation:** can adjust cruise speed to applicable speed limits and road conditions.
- **Blind spot warning:** warns of vehicles next to or diagonally behind the car when changing lanes.
- **Lane departure warning:** warns when unintentionally leaving the lane.
- **Side collision warning:** helps recognize dangerous situations next to the car.
- **Evasion assistant:** supports an evasive maneuver in case of an impending collision, including with pedestrians.
- **Intersection and priority warning:** warns of dangerous situations at intersections.
- **Wrong-way warning:** warns when driving against the permitted direction of travel.
- **Rear collision warning.**
- **Front and rear cross-traffic warning.**
